LB 834, 842, 1046

1046.

PRESIDENT: The bill is advanced. LB 834, please.

CLERK: 834, by Senator Beyer. (Read title.) Introduced on January 6, referred to Revenue, advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator Beyer, please.

SENATOR BEYER: Mr. Speaker and colleagues, this is my fairness doctrine bill. Right now when a person sells his home and moves he loses his homestead exemption in all the counties except Douglas County. All I'm trying to do here is allow all counties to transfer homestead exemptions midyear. Currently only Douglas County is authorized to transfer those exemptions. A transfer occurs when a homestead claimant sells a home prior to August 15th during the year the exemption is granted and is still otherwise eligible for the homestead program. There is no fiscal impact to this to any of the counties. So, with that, I would appreciate your advancement of this bill.

PRESIDENT: Thank you. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 834.

PRESIDENT: The bill is advanced. LB 842, please.

CLERK: 842, by Senator Vard Johnson. (Read title.) Introduced on January 6, referred to Revenue, advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator Vard Johnson, please.

SENATOR V. JOHNSON: Mr. President, members of the Legislature, LB 842 would reinstate a provision relating to the keeping of property tax records by county clerks. This reference was inadvertently repealed by LB 508 passed during the 1987 legislative session.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed
